

**India's First Indigenously  
Manufactured Nitrile**  
Powder-Free Disposable Gloves

## About 1<sup>st</sup> Glove

Nitrile gloves have turned out to be a mainstay product in medical, food handling, and other related industries. Our latex-free and strong nitrile gloves, 1<sup>st</sup> Glove, made from a copolymer, created by combining butadiene and acrylonitrile, is the first ever in the Indian Market. 1<sup>st</sup> Glove follows a comprehensive set of technological advancements, thereby pointing to cost-effective production practices.

## Core Values

### Dedication & Excellence

Our devoted team works diligently to provide customers with meticulously crafted, high-quality gloves. Guided by the principles of precision and excellence, we employ environmentally friendly manufacturing methods to produce a premium range of nitrile gloves.

### Customer Focused

We have our relentless focus on our customers. We strive to delight our customers with our offerings, hence understanding the impact of our products on our customer experiences and sales. Also, we prioritize product quality, making them accessible to all businesses.

# Why 1<sup>st</sup> Glove

### Efficiency

Our facilities are built with a strong supply chain to quickly move products from manufacturing to packing and distribution.

### Quality

Our gloves have been synonymous with premium quality as we unwaveringly dedicate our production to perfection.

### Flexibility

Our flexible production process allow us to easily create a broad selection of Nitrile Gloves.

### Sustainability

Our manufacturing processes are crafted for minimal environmental impact.

## Technical Specifications

Product Specifications		
Thickness Size	mm	Mil
	0.09 ± 0.01	3
	0.11 ± 0.01	4
	0.14 ± 0.01	5
	0.16 ± 0.01	6
	0.18 ± 0.01	7
	0.20 ± 0.01	8
Average Length	mm	
	240	

Physical Specifications	
Before Aging	
Tensile Strength	14 MPA
Ultimate Elongation	500%
After Aging	
Tensile Strength	14 MPA
Ultimate Elongation	400%

Acceptable Quality Level (AQL): 1.5 (exceeds ASTM D 6319 standard)
